**New York SmartCEO Honors Cheryl Biron of One Horn Transportation
as one of 40 Top Female CEOs at the Brava! Awards, September 23**

New York, NY (Sept. 24, 2014) - Cheryl Biron, One Horn Transportation's President and EO, has been named one of 40 Top Female CEOs at the Brava! Awards. The award program, produced by SmartCEO New York, took place on Tuesday, Sept. 23 at Capitale. This year's winners collectively generated \$1.2 billion in revenue and employed more than 49,000 individuals. Additionally, the 2014 Brava! winners were profiled in the September/October 2014 issue of New York SmartCEO magazine ([click here](#)).

The Brava! Awards program celebrates female CEOs who combine their irrepressible entrepreneurial spirit with a passion for giving back to the community. SmartCEO received more than 200 nominations across the Mid-Atlantic for the award. A group of Greater New York business leaders formed the Brava! committee and chose the 40 winners.

"Brava winners possess the utmost qualities in a leader — vision, passion, compassion, dedication, perseverance. Every one of this year's winners exhibits these qualities in running their business, their families and their philanthropic activities. They give 110 percent of themselves," says Jaime Nesper, regional President of SmartCEO Events. "We are honored and humbled to recognize a group of women who are truly making a difference in the world."

"I am honored to have been recognized among this group of accomplished women entrepreneurs," said Cheryl Biron. "I'm happy the world continues to evolve, so my daughter and other young women have so many great opportunities open to them. As Membership Co-Chair for EO (Entrepreneurs' Organization) NJ, I am on a mission to help other women entrepreneurs get to the next level."

The event kicked off with a high-energy cocktail reception followed by an engaging, video-packed awards ceremony. An impressive audience of friends, colleagues and family came together to celebrate the winners' achievements.
